Hi - Recently heard you are  
the historian for the 381<sup>st</sup> B.G.  
Wondered when or who or if  
we had one. I'm a former  
member of 532<sup>nd</sup> Sqdn, from  
Dec. 44 till outside in '45  
and then split to ATC.  
Please unload any info

and needs you have to join  
your mailing list. I discovered  
my cadet roommate from the  
385th BG mailing list last winter.  
Did he ever enjoy my Xmas card,  
and vice versa. Have contact  
with several former members of  
our outfit, who are waiting  
for your and my reply.
